Hot Shots and Nova Events have worked with USA Volleyball since 2009. The annual JR Beach Qualifier has provided a platform for local athletes to showcase their talent on the national stage. Several National Champions have come from the Upstate NY region.

The JR Beach program has grown steadily over the years and made Sundays at the beach the place to be for volleyball every summer.

The JR Beach Camp will provide a solid base for all participants to take their game to the next level. With some of the top ranked players and coaches in the area on staff to give your athlete a winning edge.

Is there any previous physical condition that the coaches should be aware of? (surgery, allergy, etc.)

I, \_\_\_\_\_, am allowing my child to participate in the 2017 Junior Beach Camp. I am aware of the possibility of injury during the regular course of intensive sports training. In the event of an injury or illness that requires medical treatment, my family medical insurance will be used. It is not the responsibility of the coaching staff, Hot Shots or NOVA to cover any medical expenses
